Annual Meeting.

Don't forget the Annual Membership Meeting to be held at Miami Beach on June 10th and 11th. There will be one more issue of the Seed Pod before the meeting. Last issue there was an article about costs etc.

There was some confusion as to just what the cost would be. If you go alone it will cost $19.54 and you will receive lodging for two nights, Dinner Friday night, breakfast Saturday morning, dinner Saturday night, breakfast Sunday morning and Luncheon Sunday afternoon. That makes a total of five meals. Now if you take your wife along, two people to a room, you will each receive all of the above and it will cost you $15.54 each or a total of $31.08. Can you beat these prices?

There is only one catch. You must have your reservation in and a deposit made prior to May 27th. You will receive blanks etc from the hotel. By the way, the hotel is the DelMonico, directly on the ocean at 64th Street, Miami Beach. If you have any questions drop a card to the president of the Tropical Chapter or the Executive Secretary.

Remember, the Annual Meeting is for every member of the A,H.S. This is where you have your say as to what is done. This is the place to cast your ballot for the candidate of your choice to be president and so on down the line. You must be there to be counted.

Board Meeting - Past and to come.

The next Quarterly Board Meeting will be held at the San Juan Hotel in Orlando on March 11th and 12th. All chapters should be represented either by the president or somebody to stand in for him. The board members and the chapter presidents (or substitute) each have a vote in the meeting. See that your chapter is represented.

At the last board meeting held in Orlando in December each chapter was instructed to appoint two committees. One to help publicize the Annual Membership meeting in an effort to get as many members to
